

# “ROUND UP FOR YOUTH”

Fite Plumbing has invested in community organizations throughout Morgan, Hendricks, Marion and Johnson counties for more than 20 years. Our industry-leading “Round Up” program was designed to bring exposure and financial support to local community organizations that we feel do exemplary work and that have touched our employees’ lives in one way or another.

Beginning in February, Fite Plumbing has partnered with Plainfield Optimist Club to raise funds for youth of Plainfield and Hendricks County through our “Round Up...” program.

## 2015 First Quarter “Round Up” February 15 - March 31

### How will it work?

From February 15 – March 31, our service plumbers will ask clients to round up their bill to the nearest \$5 increment. **Fite Plumbing will match each of these donations up to \$500.** Together, we will be a part of helping Plainfield Optimists in *“bringing out the best in our kids, our community and ourselves.”*

When the promotion period ends, Fite Plumbing will cut a check to Plainfield Optimist Club in support of the Club’s efforts in YOUTH SPORTS, ACADEMIC LEADERSHIP, and COMMUNITY SERVICE & ENGAGEMENT.
